

## Regulatory information notice

# Fires and camping prohibited

The following activities in Mount Barney National Park are controlled by regulatory notices. Contravention of a requirement of a regulatory notice is an offence under the *Nature Conservation Act 1992*.

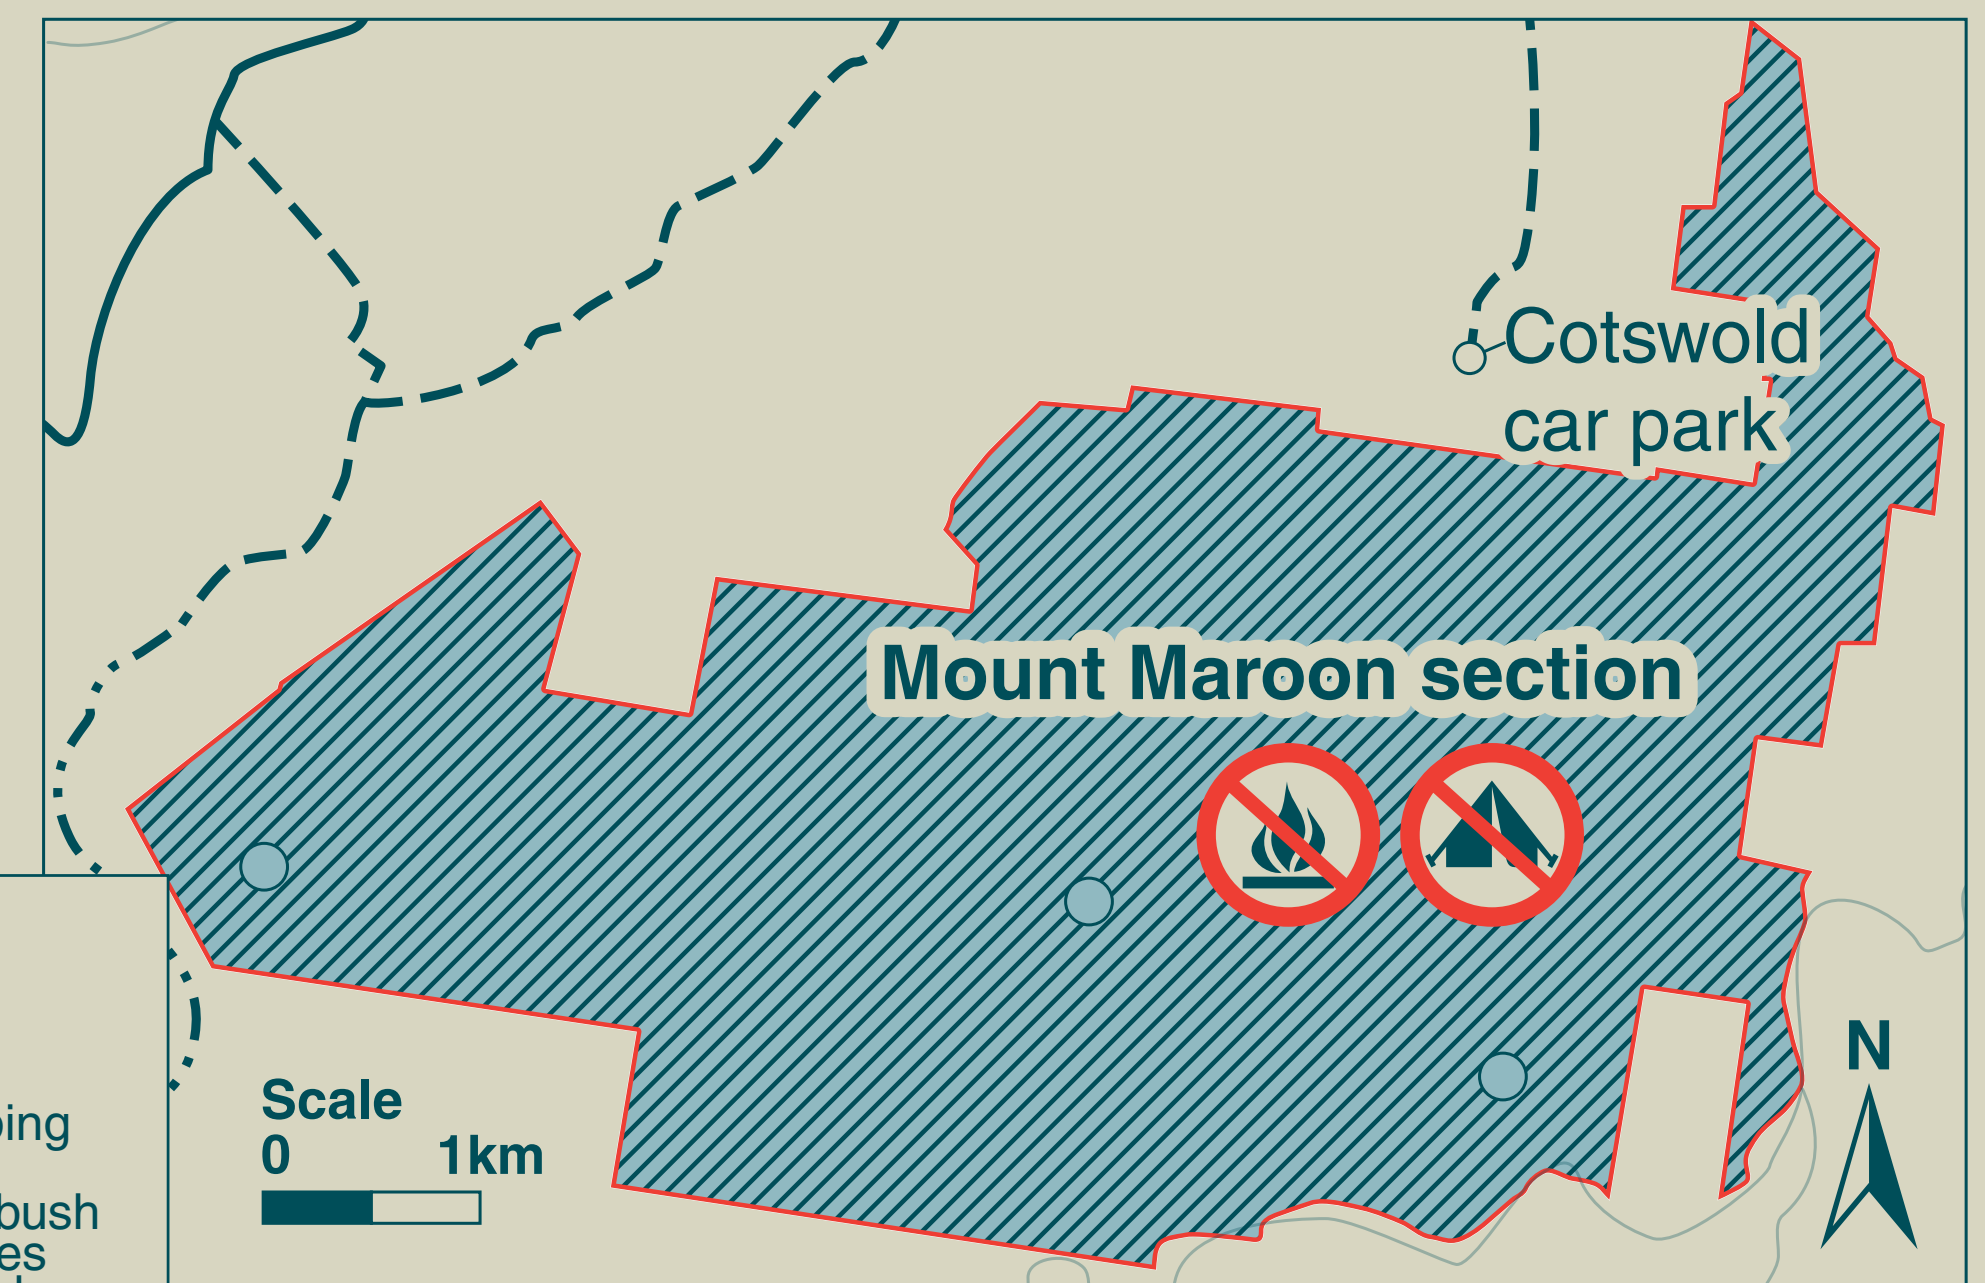

### No fires

Fires are prohibited in Mount Barney National Park. Maximum penalty: 165 penalty units.

### No camping

Camping is prohibited in the Mount Maroon section of Mount Barney National Park, **except in designated remote bush camp sites** as shown on the map, to protect fragile plant communities. Maximum penalty: 80 penalty units.

On-the-spot fines apply.
