

Mon Repos Turtle Centre
Bundaberg, Queensland, Australia

Cut the Glow

to help turtles go

**Marine turtles are in trouble,
they need our help to survive.**

**Artificial lights disorientate
marine turtles.**

How you can help:

- Switch off unnecessary lights.
- Close your curtains and blinds.
- Install sensor lights.
- Plant vegetation to create a light buffer.

For further information:

- Visit us online at qld.gov.au/MonRepos
