

great/walk conondale range

Walking track classifications

Each walk featured on this topographic map has been classified according to the Australian Standards described below. Walks are classified according to their most difficult section. The Conondale Range Great Walk is classified as grade 4. Day walks on the map are classified as grade 3 and grade 4. For further information about day walks within the Great Walk, see the section overleaf titled "Shorter walk options".

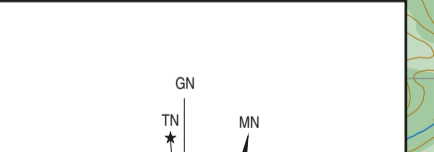

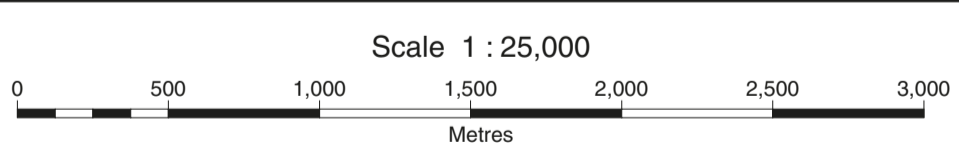

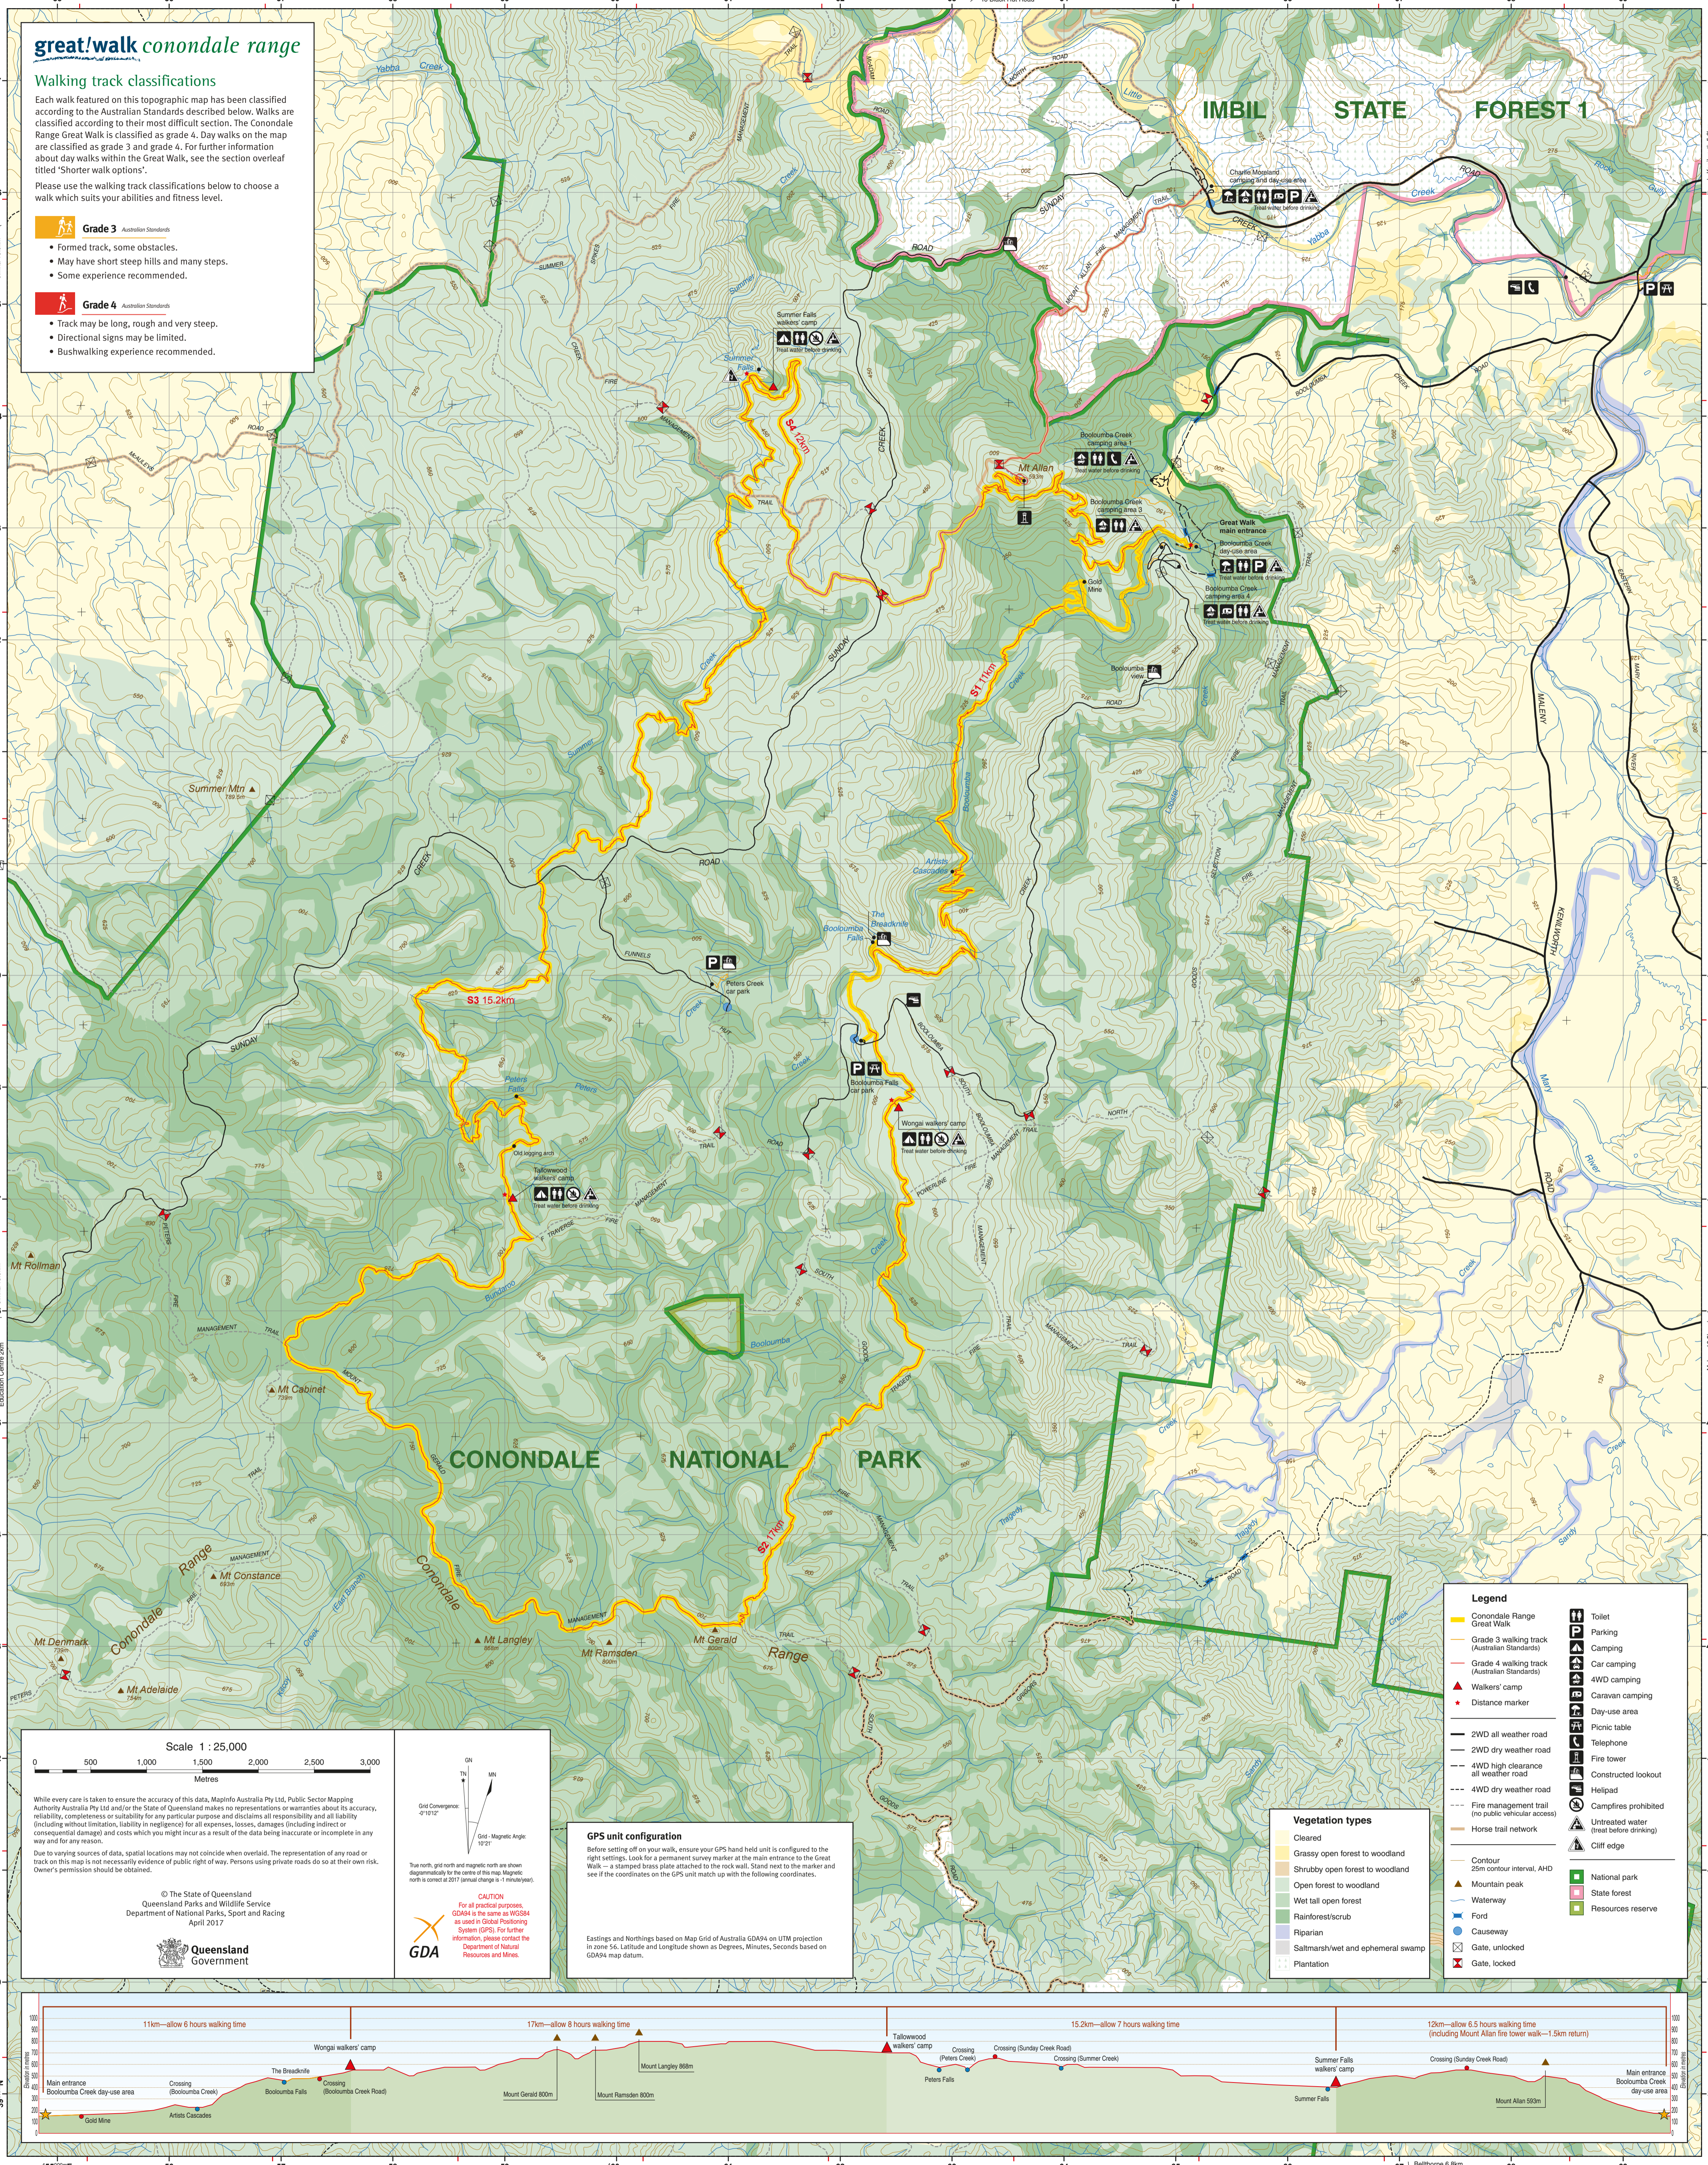

Please use the walking track classifications below to choose a walk which suits your abilities and fitness level.

Grade 3 Australian Standards

- Formed track, some obstacles.
- May have short steep hills and many steps.
- Some experience recommended.

Grade 4 Australian Standards

- Track may be long, rough and very steep.
- Directional signs may be limited.
- Bushwalking experience recommended.

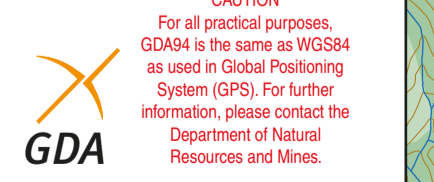

GPS unit configuration
Before setting off on your walk, ensure your GPS hand held unit is configured to the right settings. Look for a permanent survey marker at the main entrance to the Great Walk – a stamped brass plate attached to the rock wall. Stand next to the marker and see if the coordinates on the GPS unit match up with the following coordinates.

Eastings and Northings based on Map Grid of Australia GDA94 on UTM projection in zone 56. Latitude and Longitude shown as Degrees, Minutes, Seconds based on GDA94 map datum.
