## Unauthorised entry prohibited

The Chillagoe Smelter site in Chillagoe–Mungana Caves National Park, as identified on the map, is a restricted access area. Entry to this area is prohibited without a permit or written approval.

This is a former industrial site. Structures within the site are unstable and the area contains asbestos and other toxic contaminants. Serious injury, disease or death could result from entering this area.

### Restricted access area notice

Contravention of a requirement of this notice is an offence against the *Nature Conservation Act 1992*.

Maximum penalty: 80 penalty units. On-the-spot fines apply.
